

Current Waste Management Customers of Argo

City of Argo Clean Up

Where: 8885 Gadsden Hwy Trussville, AL 35173

When: August 13th, 2021 at 2:00 PM

Dumpster Guidelines

NO

- Auto Batteries
- Car Oil
- Wet Paint
- Cans
- Mattresses
- Large Appliances
- Construction Waste
- Limbs

As of today August 13th, 2021, The City of Argo will have a dumpster set up at the old location of Crazy Horse on Gadsden Hwy for current Waste Management customers. This dumpster is for household garbage only. All items must also be securely bagged and tied. This will only be available for a short time during the transitional period from the former waste company until EcoSouth begins pickup. To have usage of this dumpster you must have proper identification showing you are an Argo resident. We have a list of current paying customers, and this will be checked at every drop off. All violators will be subjected to fines.

There will be more information on the new service coming soon.

Thank you,

The City of Argo
