RE: Upcoming Road Work on Argo/Margaret Road

Dear Residents,

This is to advise you in advance of essential road work on Argo/Margaret Road within the city limits of Argo. This road is a St. Clair County Road, and the city does not maintain this road. Signs have been placed by the contractor with a new speed limit (this speed limit is effective once the Construction Begins). If you have any questions or concerns regarding this road construction, please contact St. Clair County.

Sincerely,

Betty Bradley

Argo City Mayor
